

Women for Excellence is a not-for-profit professional women's organization dedicated to providing resources for women to continue to achieve economic prosperity, promoting leadership and professionalism, fostering networking opportunities and being of service to our community.

### WHO WE ARE:

Our Mission Statement- Women for Excellence is a not-for-profit professional women's organization, dedicated to providing resources for women to continue to achieve economic prosperity, promote leadership and professionalism, foster networking opportunities and being of service to our community.

### WHAT WE DO:

In addition to promoting networking for professional women, Women for Excellence raises money to provide scholarships for young women who might not otherwise have the opportunity to attend college.

#### NETWORK

Grow your business by networking with other like-minded business women.

#### EXPOSURE

Opportunity to be listed on the Women for Excellence website, providing additional exposure for your business and a link to your own website.

#### LEARN

Learn about issues impacting women in business today at our monthly luncheon.

#### TABLETOP EVENT

Showcase your business at no additional cost to you at our annual November Member Showcase.

#### QUARTERLY EVENTS

Opportunity to attend Women for Excellence subsidized social events, i.e. our Holiday Celebration and Quarterly Events.

#### THE PINNACLE

Opportunity to reach the entire membership through articles and advertising in the Pinnacle (our bi-monthly newsletter).

#### CORPORATE SPONSOR

Opportunity to be the monthly corporate sponsor (five minutes to promote yourself and your business). Proceeds benefit our Scholarship Fund.

#### OPPORTUNITY

Make your Women for Excellence membership work for you by scheduling one-on-one's with other members to identify opportunities to refer business. Share your knowledge and experiences with the group, and make some new friends.

We welcome you to experience the difference - Women Helping Women!
